

PHILLIP HOWARD

Director + Registered Architect

BARCH, ANZIA, NZCAD, GREEN STAR ACCREDITED PROFESSIONAL, HOMESTAR ASSESSOR

SPECIALISED SKILLS

Concept Design, Sustainable Design, Feasibility Studies, Design & Construction Management

SPECIALISED SECTORS

Sport & Recreation, Civic, Mixed Use, Education, Residential

Phil personally firmly believes the success of most projects and his point of difference is his ability to listen and respond to client's specific requirements. He never under rates the value a client can bring to their own project.

His passion is in delivering you buildings of enduring, spiritually uplifting, functional and financial value.

Unlike directors of most other architect practices he also has a track record of maintaining a high level of involvement throughout entire project timelines.
